PROFESSIONAL EXPERIENCE

Susannah Sabnekar is the managing partner of Sabnekar Company, PLLC. The firm specializes in business valuation, litigation support, and forensic accounting. Ms. Sabnekar was formerly a shareholder of Zolondek, Strassels, Greene & Freed, P.C. and managed the litigation support and business valuation department. Previous to this position, she was the Chief Financial Officer of Winston & Strawn's western regional office and its successors.

PROFESSIONAL HIGHLIGHTS

Significant Litigation Support Services and Forensic Investigations are as follows:

- ◆ Appointed as Chapter 11 Trustee by the United States Bankruptcy Court for the District of Arizona in August of 2014.
- ◆ Assisted legal counsel in bankruptcy and litigation phases associated with the proceedings related to Lincoln Savings and its Subsidiaries.
- ◆ Damage studies in a variety of industries (see below) with damage amounts ranging to forty-two (42) million dollars.
- ◆ Personal injury damage studies and lost wage calculations.
- ◆ Labor and Employment cases involving damages resulting from employment contract disputes, sexual harassment, wage and hour violations, wrongful termination and occupational safety and health.
- ◆ Consultant to legal counsel in its representation of the Creditors' Committee of the Circle K Corporation and its representation as Disbursing Agent.

SABNEKAR COMPANY, PLLC

- ◆ Court appointed receiver and forensic accountant.
- ◆ Consultant in cases involving administrative, regulatory, and public law utility matters.
- ◆ Consultant to businesses in reorganization and workout stages.
- ◆ Consultant in several high profile matrimonial and business dissolutions.
- ◆ Consultant to legal counsel in its defense of public companies before the SEC.
- ◆ Business valuation services with values ranging to \$95 million. Services have been performed in numerous matrimonial and business related disputes, in connection with estate planning, ESOP's, gifting and entity conversions, and for establishing value in connection with an anticipated sale or buy-out.

Business valuation services and damage calculations have been performed in the following industries:

- Agricultural entities, including: cotton, olive, orange, and cantaloupe
- Dairy production and distribution
- General and specialized construction contracting entities, such as: drywall, stucco, framers, window and door and plaster
- Internet-based enterprises within the nutraceutical, marketing, and software industry
- Manufacturing and distribution entities in a variety of industries
- Medical practitioners/practices, including: chiropractors, urologists, cardiologists, general practitioners, optometrists, orthopedic surgeons, pediatricians, imaging centers, laboratories, surgical centers, and urgent care facilities.
- Medical supply companies
